## About Me

I am an undergraduate software engineering student specializing in full-stack development. Passionate about creating efficient and scalable web applications, I have experience with React, Node.js, Express, and other modern technologies. Eager to apply my skills in a dynamic and challenging environment

## Technical Skills

- **Languages & Frameworks:** JavaScript, TypeScript, HTML/CSS, React, Node.js, Next.js
- **Styling & UI:** Tailwind CSS, shadcn, React Hook Forms
- **Backend & Database:** MongoDB
- **Tools & Platforms:** WordPress, Auth0, Git

## Education

- **Bachelor of Information Technology (BIT)**  
*University Of Colombo School Of Computing* 2021-Present  
Final Year Student
  - GPA: 3.54 (First Year)
  - Second Year Results: Pending
- **GCE A/L**  
*Central College Anuradhapura* 2017 - 2019  
Central College
  - Completed in 2019
  - Stream: Physical Science with ICT

## Projects

- **Food Ordering App - OrderEats**  
**Technologies:** React, Tailwind CSS, TypeScript, Node.js, MongoDB, shadcn, React Hook Forms, Auth0  
**Deployment:** *Render.com*
  - Developed a full-stack food ordering application.
  - Implemented user authentication and profile management.
  - Enabled image upload functionality (Cloudinary)
  - Utilized shadcn for styling and React Hook Forms for form management.
  - Integrated Auth0 for secure authentication.
  - Deployed the application on Render.com.
- **Baby Clothing Website - tinykiddies.com**  
**Technologies:** WordPress, WooCommerce
  - Developed an e-commerce website for newborn essentials.
  - Implemented product listings, shopping cart, and checkout functionalities.
  - Integrated secure payment gateways and customer account management.
  - Customized themes and plugins for a seamless user experience.
  - Managed product inventory and order processing.
  - Deployed the website and ensured its responsiveness across devices.
- **Personal Portfolio - thizara.me**  
**Technologies:** Next.js, TypeScript, Tailwind CSS
  - Developed a personal portfolio website to showcase projects, skills, and education.
  - Designed responsive layouts for a seamless experience across devices.
  - Integrated contact forms and social media links for easy connectivity.
  - Deployed the site on Vercel with continuous integration and deployment pipelines..
